

HOW TO INSTALL WUCUBE IN VEHICLE

The Wucube should be placed WITHIN one metre (1M) distance from the fuel tank.

The Wucube should be placed WITHIN one metre (1M) distance from the fuel tank.

Follow the steps below (1-4) to install the Wucube in a passenger vehicle.

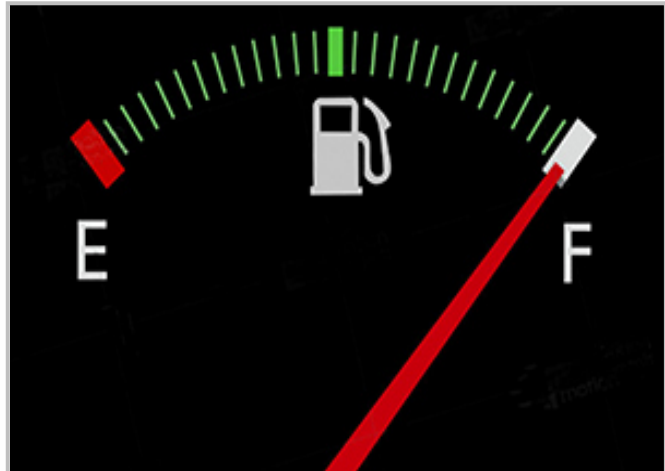

STEP 1

FILL THE FUEL TANK

“A full tank of fuel”

Fuel gauge showing full

USE YOUR NORMAL FUEL

STEP 2

REMOVE FROM PACKAGING

Think: Outside the Box

THIS IS IMPORTANT

Please recycle...

STEP 3

LOCATE FUEL TANK

Normally under the car

Normally made of plastic

Normally has drain hole

TIP! The fuel tank is normally on same side as the filler cap.

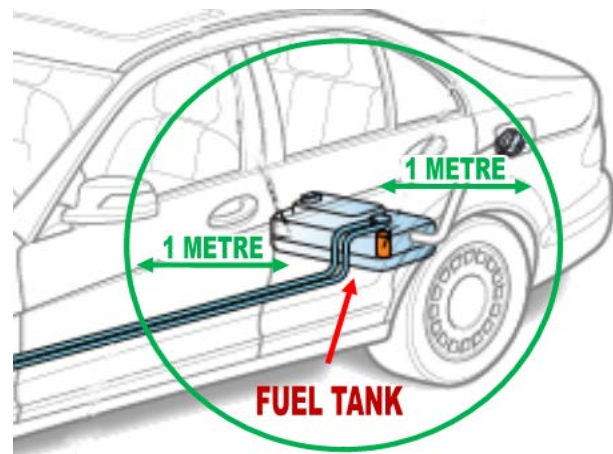

STEP 4

PLACE WUCUBE IN VEHICLE

1 Metre (1M) from fuel tank

INSIDE THE VEHICLE ONLY

Rubber feet stop sliding

TIP! Keep reading for examples of Wucube placement in a car.

Examples of where to place the Wucube

Rear Passenger Footwell

Behind Front Seat

DO'S AND DONT'S

THINGS TO DO

- DO:** Ensure the placement of the Wucube does not restrict your capacity to drive safely. **IMPORTANT!**
- DO:** Ensure the Wucube is NOT sliding or moving when the vehicle is moving.
- DO:** Place the Wucube INSIDE the vehicle as the examples above show.
- DO:** Ensure Wucube is within 1 Metre (1M) of the fuel tank.
- DO:** Please ask us at Wucube.com if you are unsure about the installation.
- DO:** Think carefully about Your Safety and the safety of others as the priority.
- DO:** Seek advice of a mechanic if you are unsure about the installation.

THINGS NOT TO DO

- DO NOT:** Place or secure the Wucube outside of the vehicle e.g. Stuck to body.
- DO NOT:** Place the Wucube inside the Fuel Tank or attach to the fuel tank in any way.
- DO NOT:** Handle or hold the Wucube whilst driving.
- DO NOT:** Allow any placement of the Wucube to negatively affect safety conditions.
- DO NOT:** Proceed to Install the Wucube if you are unsure in any way.

Thankyou

Thank you for purchasing Wucube, and we hope you enjoy the benefits for many years to come.

If you move your Wucube to another vehicle please repeat the installation instructions from steps 1-4.
